Management Agora S.A. is responsible for the preparation and fair presentation of these interim consolidated financial statements in accordance with the International Accounting Standard 34 "Interim Financial Reporting" as adopted by the European Union and other applicable regulations. Our responsibility is to express a conclusion on these interim consolidated financial statements, based on our review.

Scope of review

We conducted our review in accordance with Standard No. 4 of the professional standards *General principles for the review of financial statements*, issued by the National Council of Certified Auditors and with the International Standard on Review Engagements 2410 *Review of Interim Financial Information Performed by the Independent Auditor of the Entity*. A review consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim consolidated financial statements do not present fairly, in all material respects, the financial position of Agora S.A. Group as at 30 June 2007, and its financial performance and its cash flows for the period from 1 January 2007 to 30 June 2007 in accordance with the International Accounting Standard 34 "Interim Financial Reporting" as adopted by the European Union.
