*Scope of review*

We conducted our review in accordance with Standard No. 4 of the professional standards *General principles for the review of financial statements* issued by the Polish National Council of Certified Auditors and with the International Standard on Review Engagements 2410 *Review of Interim Financial Information Performed by the Independent Auditor of the Entity*. A review consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

*Conclusion*

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim unconsolidated financial statements of Agora S.A. are not prepared, in all material respects, in accordance with the International Accounting Standard 34 "Interim Financial Reporting" as adopted by the European Union.
